No. 44 Office of the Inspector General of Police in Mysore,

Dated Bangalore, 7th July 1919.

1657

From

A. Subrahmanya Iyer Esqr., B.A.,

Offg. Inspector General of Police in Mysore.

Pol 32-19 1

To

C. S. Balasundaram Iyer Esqr., B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore.

Sir,

I have the honor to state that as per Government No. G.9060-9102 / G.M.401-15-1 dated 2nd January 17 the Police Probationers have to undergo training in Equitation, and as Government are aware there is no riding class attached to the Police Training School, though it was contemplated in 1914 to open a Police Riding school, in connection with the re-organization of the Police Training School, which, however was dropped on account of its being a costly affair.

2. In July 1918, when Probationery Inspectors and a few Probationery Sub Inspectors were appointed, the Chief Commandant, Mysore State Troops, was requested to intimate whether he could admit the Probationers and these officers into the Military riding school, Bangalore, for training in equitation, to which that officer replied that there were neither instructors nor horses to be spared to train them. On 5th May 1919, I repeated the request of my predecessor to the Chief Commandant, and have received in reply his letter No.12169 dated the 20th May 1919, to the effect that one or two officers at a time could be admitted into the Riding school of the Imperial Service Lancers and that these officers have to pay the prescribed fees. This letter has been followed by another, No.13308 dated the 25th June 1919

(6

in which it is said that these officers should "also bring their own horses" and that they will be admitted into the Riding school at Mysore.

3. The Probationers of the Police Department are all officers on small pay, and not being made permanent in the service, they cannot be asked to equip themselves with horses during the period of their training.

The price of a horse is also very high, and the up-keep in Bangalore or Mysore to which place the officers referred to above are mostly foreigners, is very costly. The Police Training School being in Bangalore, it will not be possible to send these officers to Mysore for their training in Equitation.

4. I therefore request that you may be so good as to ask the Chief Commandant to admit the Police officers into the Riding school attached to the Imperial Service Lancers, Bangalore, furnish them with mounts and give the necessary training in equitation free of cost. It would be convenient if the course is commenced soon after Dasara and continued for three months.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Inspector General of Police.
